

Fluency bridges decoding and comprehension. Fluent readers read accurately, at an appropriate rate, and with expression.

Weekly Look-Fors

- ☐ Model expressive reading, then echo read
- ☐ Repeated reading 3-4x with WCPM graphing
- ☐ Paired or choral reading with similar-level partners
- ☐ Phrase-cued text to train meaningful chunking
- ☐ Use text students decode at 90-95% accuracy
- ☐ Quick check: did WCPM improve across the three reads?

Quick Tip

Fluency practice works best with texts students can already decode at 90-95% accuracy.
